SAFI INSTITUTE OF ADVANCED STUDY (AUTONOMOUS) **(AFFILIATED TO THE UNIVERSITY OF CALICUT)**

SAFI Institute of Advanced Study (Autonomous), one of the premier Higher Education Institutions in the state of Kerala was established in 2005 by the Social Advancement Foundation of India (SAFI), a leading Charitable Trust. It offers 15 UG and 8 PG programmes in Arts, Science, Commerce, Management, Media Studies and Social Work.

It is an autonomous college affiliated to the University of Calicut and recognized by the Government of Kerala and the University Grants Commission (UGC) under 2(f) and approved by the AICTE. The institute scaled the highest peaks of excellence with the college Accredited by NAAC (National Assessment and Accreditation Council of India) with A++Grade (3.54) in the first cycle in 2023 and granted autonomy by the UGC in 2024. It is the first arts and science college in India to be accredited with A++ in the first cycle and the only unaided Autonomous college in Kerala accredited with A++ grade. The college is ranked 19th in the KIRF (Kerala

Institutional Ranking Framework) reinforcing our commitment to excellence in higher education. It is also an ISO certified institution. The National Commission for Minority Educational Institutions, Government of India has granted Minority status to the Institution. The college is particularly committed to serve the economically weak, socially underprivileged and needy students. It has a vast campus spread around 100 + acres in a serene and picturesque environment with a built-up area of 2.5 lakh plus square feet located in the socially and educationally backward region of Malappuram District, 22 Kilometers away from the Calicut City towards Calicut Airport. It is partly residential and provides amenities for boys and girls in a healthy cosmopolitan atmosphere. The college envisages total personality development and generation of talents capable of providing leadership and direction at the cutting edge in all spheres of life.

VISION

To be a premier academic Institute globally acclaimed for empowering citizens in general and the backward classes in particular with competencies and character for constructive nation-building through quality higher education and research in multi-disciplinary subjects.

MISSION

To offer academic courses of contemporary and futuristic importance nationally and globally.

To create centers of excellence in frontier areas of technology, science, social science and humanities.

To provide a conducive classroom and institutional environment that promotes effective learning, curiosity, creativity and innovation.

To provide holistic education including life skills, emotional, moral and spiritual competencies as well as values of social responsibility, plurality and entrepreneurship

To undertake collaborative partnerships for facilitating exposure and adoption of best practices.

CORE VALUES

Social Responsibility: Empowering weaker and underprivileged sections and reaching the last and the least to contribute to national development.

Academic Excellence: Providing quality, value-based, integrated, interdisciplinary, entrepreneurial and experiential education to cultivate world-class talents and scholars relevant to contemporary needs.

Focused Holistic Education: Concerned with the development of every student's intellectual, emotional, social, physical, artistic, leadership, creative and spiritual potentials.

Integrity and Accountability: Shared decision making with productive interactions among all stakeholders, inculcating the ethos of being impartial, selfless and sacrificial along with moral values in the pursuit of institutional goals.
