About the Institution

SOCIAL ADVANCEMENT FOUNDATION OF INDIA (SAFI) is a non-profit, registered charitable trust, which came into existence in September 2001. The trust is constituted by educationists, philanthropists and social engineers, with the objective of taking up academic and research programmes in the frontier areas of science and technology and humanities in order to produce highly proficient manpower. SAFI is committed to generating skilled manpower capable of providing leadership and direction in the areas of science & technology, commerce, management, information technology, arts and other spheres of studies. SAFI Institute of Advanced Study established in 2005 is a paragon endeavour in its mission to become a University.

SAFI is committed in providing research and teaching skill enhancement programmes for the faculty and research scholars of higher education. Keeping in view, the immense benefits and reach of the online courses in the present academic scenario, SAFI Institute of Advanced Study, Malappuram, Kerala is organizing a 7 Day Faculty Development Programme on Prudent Teaching Dynamics from 21st to 28th June, 2021.

About the FDP

We are living in an era of Information and Technology working Hand in Hand. Though, teaching is an Art, there are many scientific ways to improve the dynamics of teaching. The Online FDP Prudent Teaching Dynamics is aimed at addressing the contemporary challenges faced in the teaching process, with sparse physical classrooms engagements, many institutes having migrated to the Online mode. In these circumstances, this online FDP is an attempt to help the fellow academicians to gather, plan, design and deliver their course effectively through online.

This 7 Day FDP is structured in such a way, not only to make the educators a well-trained academic professional, but also to transform them to be, the best mentors, facilitators and counsellors within the country, developing their quality and approach towards the dynamics of various teaching and learning process.
