Message

I am immensely happy to know that Social Advancement Foundation of India (SAFI) has completed 10 years of excellent service in the sphere of education and the Campus will be dedicated to the nation along with the new complex and Cultural Centre on 11 November 2011, the National Education Day.

While complimenting the activists of SAFI on their insight and initiative to spread the light of learning and wisdom, I wish their endeavour to bring out a Souvenir in this connection all success.

Message

It gives me much pleasure to learn that the Social Advancement Foundation of India (SAFI) proposes to bring out an elegant 'Souvenir' shortly, to mark its ten years of excellent service.

I wish the venture every success.
