REPORT ON INTERNS DAY

Date: 12/08/2017

The Interns day celebration of MCJ department gave enlightening insight and inspiring information to students about social work and social action. The experiences from Kerala, Tamil Nadu, Maharashtra, West Bengal and Himachal Pradesh were like an all India trip through cultures, places and people. This memorable event was organized at a calm, pleasant venue- the newly built extension of the college canteen on August 12th 2017. Around 15 students along with other teaching faculties also participated in the program.

AWARENESS PROGRAMME ON MONSOON DISEASES

An Awareness Programme on Monsoon Diseases was conducted by the Department of Microbiology on 16th June, 2017. The main Objective of this programme was to spread awareness on the different infections that can be caused during the season and how to take necessary precautions. The awareness programme mainly focused on spreading awareness to the nearby village which was Vazhayoor Panchayath. The students of Microbiology were given a special training on How to address the problem to the people of the panchayath and to bring their attention on how to take necessary precautions, so that we can escape from these Monsoon Diseases which is prevalent in these areas. Pamphlets on various Diseases and Precautions to be taken were distributed to every home by splitting the students into 4 groups so that they can cover a wide area. A total of 41 students participated in this awareness campaign. The 4 groups were accompanied by Ms. Farha Baramy, Ms. Asha B, Ms. Shainy NK and the Lab Assistant Ms. Abitha respectively.

They also distributed bleaching powder to keep their surrounding clean and also purify the ground water at their homes. This experience helped the students to be responsible citizens and also gave them the spirit of helping the society and spreading awareness to keep surroundings clean and also protect us from diseases.
