NATIONAL LEVEL E - QUIZ ON

INTERNATIONAL BIOLOGICAL DIVERSITY DAY

As the global community is called to re-examine our relationship to the natural world, one thing is certain: despite all our technological advances we are completely dependent on healthy and vibrant ecosystems for our water, food, medicines, clothes, fuel, shelter and energy, just to name a few. On behalf of the International Biodiversity day, the Department of Microbiology would like to celebrate and give awareness on celebrating the importance of the day, This year on May 22nd 2021, the theme is "We're part of the solution". The slogan was chosen to be a continuation of the momentum generated last year under the over-arching theme, "Our solutions are in nature", which served as a reminder that biodiversity remains the answer to several sustainable development challenges.

From nature-based solutions to climate, health issues, food and water security, and sustainable livelihoods, biodiversity is the foundation upon which we can build back better. That is the main message we would like to convey through the E quiz developed by the students and Faculty of the Department which will inculcate the value of preserving our nature and rebuilding it for future. The E quiz was attended by 1500 participants around the nation which included students, academicians and many more.

EXPATRIATES REHABILITATION PROJECT

FIRST INITIATIVE IN KERALA

A large percentage of people who lose their jobs due to COVID are expatriates. To overcome their future unemployment, economic hardship and business collapse, SAFI institute of advanced study, CITE Vazhakkad, CIGI Kozhikode, Vazhakkad Panchayath together initiated an expatriate rehabilitation project, a first initiative in Kerala. NSS volunteers enrolled a major part as field workers.

January 20-30, 2021, all the NSS volunteers along with NCC cadets and leaders academy students engaged in taking surveys of expatriates who lose their job due to COVID and other health related issues. Volunteers turned into 18 groups, moved to 17 wards of Vazhayoor Panchayat, covered average of 1200+ expatriates. Data were noted in Google form and submitted. Yoosuf Ali was the project coordinator. All the volunteers who participated were distributed with certificates.

KARIPUR PLANE CRASH: SIAS NSS VOLUNTEERS AND STAFF INVOLVED IN RESCUE OPERATION

On 7 August 2020 Air India express flight 1344 from Dubai to Kozhikode, landing at Calicut international airport. The flight was part of the vande Bharat mission to repatriate Indians due to the covid 19 pandemic. On the third landing attempt, the aircraft touched down on the runway but skidded off the end of the tabletop runway. At the time of the plane crash, the area was a containment zone. Despite this people came forward to help passengers. our NSS volunteers have been part of this rescue. The volunteers who reside in the area around the airport had rushed to the accident site braving the heavy rain and covid 19 fears and took the injured to various hospitals. We are very happy and proud that our volunteers have been part of this rescue team.

ONAM VEGETABLE KIT DISTRIBUTION-2020

Undoubtedly, the pandemic had impacted our lives badly, though the worst hit by it were the weaker sections of the society. SIAS NSS volunteers took it as their sole responsibility to not let any of the people in the neighborhood of Mundakassery to go hungry, at least for a few days. Covid Relief Onam Vegetable Kits were distributed among the ones in need, the initiative managed to distribute more than 100 kits in the Vazhayoor Panchayath.

NATIONAL STATISTICS DAY

PROGRAMME: ONLINE ESSAY COMPETITION

The National Statistics Day is being observed on 29th of June every year which marks the birth anniversary of P.C. Mahalanobis, the father of Indian statistics. In context of the National Statistics day celebration the Department of Statistics organized an online Essay competition on the topic "**Role of statistics in fighting Covid 19**" on 29th June 2021. The topic was chosen to emphasize the relevance of statistics in the current scenario. Data analysis has proven its role in all fields. But the significance of statistics when the pandemic hits the world is undeniable. This competition was held to know how well the students as well as the public are aware of the role statistics has played in fighting covid 19.

The competition was open to public. A google form registration link was given and a total of 30 participants were registered. The prize money offered was Rs. 700, Rs. 500 and Rs. 300 for the first, second and third places respectively. Analyzing the content, presentation and language the winners were selected and declared as :

PAPER BAG MAKING COMPETITION

ON WORLD PAPER BAG DAY

Paper bags are an environment-friendly and an alternative to the harmful plastic bags. The "Paper Bag Day" is celebrated worldwide on July 12th. The day aims to spread awareness about using paper bags instead of plastic to help reduce plastic waste that take thousands of years to decompose. The Department of Microbiology has always been keen in going green the possible way we can and the efforts are always made to save our nature and keep our environment safe and clean. The students of the department has taken the pledge to use ecofriendly products were this time they were encouraged to make their own paper bags as part of the World paper bag day. Students showed their creativity and uniqueness by making various kinds of paper bags which were not only usable but they showed how creative they could be by personally designing them.

The Competition went well and many students participated in the competition showing their creative side as well as their concern to go ecofriendly. In the competition, Ms. Farha Baramy was the programme coordinator and the paper bags submitted were judged by **Ms. Shainy NK, Dr. Shabanamol, Ms. Asha B and Ms. Smitha K.V.**, faculties of the Department of Microbiology. The first place in the Paper bag making competition was given to Ms. Fidha, Fifth Semester BSc. Microbiology and the Second place was given to Ms. Sidra, third semester B.Sc. Microbiology.
