SPARSHAM-BLOOD DONATION CAMP

'You don't have to be a doctor to save lives. Instead start donating blood.'

Bringing forth to light the significance of blood donation and its impact on saving and empowering various lives, the NSS unit 202 of SAFI Institute of Advanced Study, Vazhayur organized 'Sparsham' – blood donation camp. A total of 65 people donated blood. The camp was a full-day event held at the campus auditorium on August 4th 2022 from 9:30 am to 2:30 pm. The blood samples collected were donated to the MEITRA Hospital. The event was heartwarming and spread the motto that a simple act of caring creates an endless ripple.

PLASTIC FREE CAMPUS

NSS UNIT 202 of Safi Institute of Advanced Study in collaboration with NCC and Nature Club conducted a "Plastic Free Campus" session wherein volunteers were divided into seven groups and collected plastic waste from all over the college premises. The main aim was to bring in minds about not litter around and to bring down the usage of plastic. It cultivated the thought of being conscious about our environment and to maintain its sustainability. The program turned out to be a huge success!

Paathayam Food distribution

The Nss unit 202 of SAFI Institute of Advanced study (SIAS) organized a program called 'Paathayam' on Gandhi jayanti day 2nd October by distributing packaged food and mineral water at Calicut medical college. Around 64 packaged food and mineral water bottles were distributed. The food packages were cooked and packed by the volunteers themselves. Mr Mujeeb Rahiman, the Nss programme officer of SIAS and 5 NSS volunteers of SIAS went there as representatives of the whole Nss team of SIAS from 10:30 am to 1 pm. This day helped the volunteers to engage well in the activity and to help the ones who needed it.

WORKSHOP ON MUSHROOM CULTIVATION, MARKETING AND CONSUMPTION

A workshop on Mushroom cultivation, marketing and consumption was organized by the Department of Microbiology on 31st October 2022 at Room No. 114. The workshop was conducted by Mr. Sanoop, the founder of Koon Gramam, Edavannapara, a Mushroom cultivation farm. The organising committee of the programme included all the staffs of the Department of Microbiology. The participants of the workshop included students of Department of Microbiology of SAFI Institute of Advanced Study and students from various other colleges under University of Calicut including EMEA College, Kondotty, MHES College, Cherandathur and Majlis Arts and Science College, Puramannur. A total of 66 students participated in the workshop.

The resource person explained the making of mushroom bed, the materials which can be used for it, the methods of its sterilisation, packing and hanging of beds, arranging the room and methods of harvesting. The students actively participated in the workshop and cleared all their doubts regarding the process. The resource person also offered all the help in setting up a mushroom cultivation unit in the Department. This session has bought an entrepreneurship attitude within students and also encouraged the other participants to build a mushroom cultivation unit in their Institution and start a small start up business among the students.
